

INTENDED AUDIENCE & SELECTION

Our participants will be senior professionals who have the necessary life experience and drive to go beyond their cultural norms, beliefs/values and integrate the new learnings and assume responsibility to become agents of positive transformation around them, wherever they may be.

We will select those individuals who do not just want to do coaching, but who have a profound motivation to become compassionate, bold and purpose-driven coaches. As such, admission to the coaching certification program is subject to a detailed conversation with the principal program mentors, to establish the motivations and intentions of our potential participants to enrol on this fascinating and challenging learning journey, allowing us to ensure the right level of group diversity/balance and the right fit with our schools mission and values.

INSTRUCTION LANGUAGE

If there are 3 or more non-Romanian speaking intended participants, all instructing, coaching, mentoring and assessing (written/oral) shall be delivered in English. Otherwise, Romanian is the standard language throughout the program.

COSTS, PAYMENT & WITHDRAWAL POLICY

The program cost is €4000 and can be flexibly paid in instalments. Payment terms will be discussed and agreed individually and set into a legally-binding contract upon admission.

Joining our academy is a great responsibility, not only for the participants themselves, but also for the entire group. Because of the nature of the curriculum, the group will have a maximum of 14 participants and any change during the program can have a significant impact on the group dynamics, especially as the program progresses. Thus, once participants are admitted in the academy, no refunds will be possible and, in the case of participants who, for any reason, decide to withdraw from the program, any outstanding and/or remaining payments will remain mandatory and will be made in full accordance with the signed contract terms, regardless of participation.
